

# PARANORMAL STATE™

THE COMPLETE  
SEASON TWO

## The team is back for more eerie investigations in SEASON TWO of this ratings-record-breaking series

Delve deep into the strange and the mysterious with Paranormal Research Society founder Ryan Buell and his intrepid team of investigators as they attempt to unravel inexplicable paranormal phenomena around the country. Among the weird events the supernatural sleuths examine are sixth sense experiences, ghost sightings, demonic disturbances, and brushes with the darkest areas of the unknown.

Founded by Buell in 2001, the PRS works on cases across the country and is one of the most recognized groups of its kind in the nation. Investigations in SEASON TWO include a Pennsylvania couple bedeviled by paranormal activity in their home, an aggressive poltergeist in Maryland, and an Oregon home plagued by a headless apparition and mysterious cries for help.

PRS uses Electronic Voice Phenomenon (EVP) recordings, video documentation, old-fashioned research, and the help of renowned psychics, demonologists, psychologists, and counselors to explore these bizarre cases in the hopes of helping frightened people who have nowhere else to turn. PARANORMAL STATE: THE COMPLETE SEASON TWO contains all 12 eerie episodes on 2 DVDs.

- *Season One* of PARANORMAL STATE was a breakaway hit (premiering to 2.5 million viewers) and spawned the spinoff *Psychic Kids*, establishing a Paranormal/Psychic franchise.
- Releasing just in time for Valentine's Day, when consumer trends show heightened interest in spooky purchases.
- 73% of Americans believe in paranormal phenomenon and DVDs in this genre are consistent best-sellers.
