MUST-HAVE COLLECTIONS FOR DIE-HARD MONTY PYTHON FANS... AND THE PERFECT INTRODUCTION FOR NEW ONES!

We sat each member of the famous troupe down, forced them to watch the whole *Flying Circus* series, and demanded

**“What’s GOOD about this?
Tell us — what’s so
BLOODY FUNNY, damn it?”**

And so they told us. And then they filmed their answers... which was nice. We suppose.

Now we have the first new Monty Python programs in decades,

packed with each Python’s personal selections of the funniest sketches from their groundbreaking comedy series, PLUS brand-new, never-before-seen footage of the masters of mayhem. Each collection is personally assembled—and hosted—by the titular Python.

Since these programs are so incredible, we knew we had to put them on DVD to share with Monty Python fans and the growing legions of *Spamalot* fans. It all starts with ERIC IDLE’S PERSONAL BEST and MICHAEL PALIN’S PERSONAL BEST, available this August.

- 6 New Monty Python programs releasing on DVD—starting now.
- The Personal Best line launches with Eric Idle and Michael Palin each hosting a “best-of” special, featuring more than 15 of their handpicked favorite sketches.
- *Monty Python’s Spamalot* is the hottest thing on Broadway! This DVD single with a low SRP makes the PERSONAL BEST titles impulse buys for fans of Eric Idle, Michael Palin, *Spamalot*, and the Python-curious.
