

HAUNTED HISTORIES COLLECTION

DRACULA, WITCHES, VOOODOO, AND EXORCISM

The latest volume of the enormously successful HAUNTED HISTORIES franchise offers 5 more spine-tingling stories

From the Devil to Dracula, from exorcism to voodoo, this spine-tingling, five-DVD collection explores the darkest recesses of evil around the world and through the ages. Be prepared for the best of the worst as we look at what many believe to be the supernatural force behind all evil—the Devil himself—and describe the mysterious ritual of exorcism as it is practiced today. Watch the horrors of the Salem witch trials and the hardship, superstition, and hysteria that may have triggered them. Explore a sinister mystery as modern researchers delve into the lore of Prince Vlad Dracul, the sadistic figure who inspired the story of Dracula, and describe the unexplained tragic events that beset their studies centuries after the Prince's death. And unearth the truth behind the popular concept of voodoo as a religion of magic spells, curses, zombies, and human sacrifice.

With exhaustive research, interviews with experts, and chilling dramatic reenactments, HISTORY™ brings evil home.
