

THE MARVEL OF THE AGE SUPERCAR

THE COMPLETE SERIES ON DVD

Gerry Anderson's Original Sci-Fi Supermarionation Series!

Two brilliant scientists. One heroic pilot. A precocious child and his pet monkey. And an extraordinary vehicle called SUPERCAR. Gerry Anderson's first fully-developed Supermarionation series established his winning formula of futuristic vehicles, high adventure, and advanced puppetry techniques that led to classics like *Thunderbirds*. And, for the first time, all 39 episodes of this rarely-seen gem are available together on DVD.

Whether soaring into space, plunging beneath the oceans, or rocketing along the road, SUPERCAR and its stalwart crew race to the rescue, thwart the dastardly efforts of the villainous Masterspy, and deliver non-stop thrills.

A must for sci-fi buffs and Gerry Anderson fans, SUPERCAR marks the birth of Supermarionation.
