

# DECODING THE PAST

## Secrets of KABBALAH

### Go behind the myths surrounding this awe-inspiring ancient religion

An ancient form of Jewish mysticism, Kabbalah has now reached cult-like popularity within the Hollywood elite. But what is behind the stars' fascination with this sacred body of wisdom, and why do they fund it so generously?

SECRETS OF KABBALAH strips away the hype and demystifies the writings that have been covered by Jewish scholars for millennia. As more and more people are seen wearing the red string bracelets associated with Kabbalah, how many of us truly understand the original teachings behind this star-powered fad?

- Ever since Hollywood adopted Kabbalah, it has been a topic of interest many do not understand.
- THE HISTORY CHANNEL® demystifies Kabbalah as it traces its history from its ancient mystical origins to its present-day incarnation.
- Features cutting-room-floor interviews with noted Kabbalah scholars.
