- Released just in time for Easter and Passover.
- With 2012 approaching and the intensity of recent natural disasters (earthquakes, hurricanes), the timing for this SKU couldn't be more appropriate.
- Another entry in the celebrated HISTORY Classics franchise. Previous religious SKUs in this line (*The First Days of Christianity*) have been among its biggest sellers.
- Great value – 4 jam-packed discs for only \$19.95.

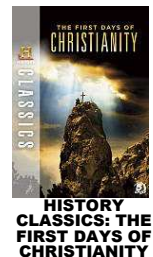

SYNOPSIS: Wrath of God or Nature's fury? To illustrate the essential humanity of tragedy, *BIBLICAL DISASTERS* travels back thousands of years to examine Biblical tales of woe, loss and death, comparing these ancient accounts to modern events. With fresh looks at the stories of Noah, Sodom and Gomorrah and the plagues of Egypt, we illuminate the human element of these cautionary tales. This 4-disc set includes the original acclaimed HISTORY special as well as supplemental programs from series like *MYSTERIES OF THE BIBLE*.
