THE HUNT FOR JOHN WILKES BOOTH

Join 10,000 Federal troops on the trail of one of America's most notorious assassins

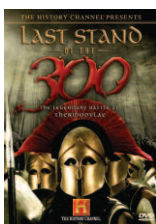

Timed to release as a companion piece for the DVD of the blockbuster movie, *National Treasure: Book of Secrets* starring Nicolas Cage, THE HISTORY CHANNEL® presents the true story behind one of the largest manhunts in American history.

Join 10,000 federal troops on the search for Booth and his co-conspirator David Herold following the assassination of President Lincoln. Watch every step of the action-packed hunt through the Maryland countryside, across the Potomac River and, finally, into the burning tobacco barn in northern Virginia where Federal troops gunned down Booth.

Shot in riveting real-time style along the 60-mile route Booth and Herold traveled, THE HUNT FOR JOHN WILKES BOOTH follows the trail of one of America's earliest outlaws.

- The release streets one month prior to the theatrical DVD of the Nicholas Cage feature film *National Treasure: Book of Secrets* (also starring Jon Voight and Ed Harris).
- Fast-paced and shot on location, THE HISTORY CHANNEL® reveals the exciting story behind one of history's greatest manhunts.
- Utilizing a mix of archival materials and interviews with historians and direct descendants of the parties involved, THE HUNT FOR JOHN WILKES BOOTH presents the complete story behind the blockbuster feature film.
