

THE AVENGERS '62

THE ORIGINAL BRITISH TV CULT CLASSIC

The Original British TV Cult Classic

Before Mrs. Emma Peel joined the team and before THE AVENGERS came to America, Mr. Steed (Patrick Macnee) was a familiar figure on the British telly, pursuing his crime-fighting career alongside a shifting cast of sidekicks.

During THE AVENGERS' second season, Steed was busy at work with Dr. Martin King, a beguiling jazz singer named Venus Smith, and the beautiful anthropologist Mrs. Cathy Gale (Honor Blackman). With Cathy onboard, the chemistry was just right, and THE AVENGERS was on its way to achieving cult phenomenon status.

Never before released on DVD, the final 14 episodes in the AVENGERS series are complete, uncut and in their original broadcast order.

- In high demand by AVENGERS fans, these classic episodes complete THE AVENGERS franchise on DVD.
- A&E's "Cult Television" franchise—home of *The Avengers*, *The Prisoner*, *Space: 1999*, *Thunderbirds*, and others—is THE established source for high-quality classic television, with millions of units sold to date!
- THE AVENGERS franchise is a certified hit with several weeks on the *Billboard* charts and over \$18 million in sales to date.
