# THE IRAQ WAR

## An inside look into one of America's most controversial wars

As the 2008 presidential elections approach and the current crisis in the Middle East becomes an even hotter issue, THE HISTORY CHANNEL® takes viewers behind the scenes and to the frontlines. THE IRAQ WAR examines key military and political decisions that have determined the course of events, from President Bush's "Axis of Evil" declaration through negotiation, invasion, "Mission Accomplished," and beyond.

Based on the work of intrepid frontline journalists, filmmakers, and renowned military experts, this collection of documentaries illuminates unexplored aspects of the war's run-up, execution, and aftermath. Featuring interviews with White House insiders, photographs from embedded journalists, and analyses of new military weapons, THE HISTORY CHANNEL® paints a compelling picture of this highly debated war.

- Timed to release as the 2008 presidential race heats up—with the Iraq War as a hot topic among candidates and current politicians.
- A thorough compilation that reveals military strategy, shocking frontline photography, and weapons analysis.
- This two-disc set chronicles the military and political decisions that lead to the initial invasion, and breaks down the design of the war plans.
