The Greatest Secret Agent in the World!

“Quirky... irreverent!” – *Newsday*

“Literate, witty animated series ... a gifted parody”
– *The New York Times*

The greatest mouse spy the world has ever known in one of the greatest cartoons television has ever shown...finally, at long last, DANGERMUSE is on DVD!

From the famed animation studios of Cosgrove Hall Productions (*The Wind in the Willows*, *Count Duckula*) come the uproarious tongue-in-cheek adventures of DangerMouse and his timid hamster sidekick Penfold. London-based, the intrepid duo receives orders from their walrus boss Commander K. Their mission—to save the world from crazed villains like the toady Baron Silas Greenback and his henchman crow Stiletto, diabolical master thieves, and even the show’s narrator. Aided by whacky hi-tech gizmos, DangerMouse is the world’s smallest secret agent.

Spoofing everything from James Bond to *Dr. Who*, DANGERMUSE is sly, hilarious entertainment for kids of all ages. This exclusive DVD set features all 17 episodes from the first two seasons, plus the never-aired “lost” pilot episode.
