

# THE EXODUS DECODED

## The Exodus: Biblical folklore or historical fact?

A tour de force of investigative research and stunning CGI, EXODUS DECODED brings the past into the present like never before. Years of study and research have uncovered astonishing new facts about the Exodus story, forcing experts to re-examine everything that was once known about the events of these early Biblical days. Now, viewers can step inside a complete virtual world of legendary stories including the birth of Moses, the ten plagues, the parting of the Red Sea, and the great Exodus itself. The story of the Exodus lies at the very heart of Judaism, Christianity, and Islam, and its epic adventure of plagues, miracles and revelations is explained by new archaeological evidence as never before.

- Executive produced and hosted by James Cameron (*Titanic*) and two-time Emmy® award winner and investigative reporter Simcha Jacobovici.
- This newsmaking, powerful feature-length documentary sheds new light on one of mankind's oldest fascinations.
- Features stunning and innovative 3-D CGI effects.
- Events featured include the Ark of the Covenant, Moses parting the Red Sea, the Exodus, and more.
