

THE COMPLETE SERIES ALL 32 EPISODES ON DVD

"This man will be our hero, for fate will make him indestructible."

In the year 2068 earth is at war with the ultra-powerful Mysterons, an invisible race with the ability to assume the form of any person or object they destroy. But their attempt to take control of Captain Scarlet, a top agent of the global security force Spectrum, fails, and he is transformed into their most powerful and implacable enemy.

Gerry Anderson (*Thunderbirds*, *Space: 1999*) took his trademark "Supermarionation" technique to a new level in 1967 with CAPTAIN SCARLET AND THE MYSTERONS, which featured a realistic new generation of puppets, a darker tone than his previous series, and extraordinary special effects (of course).

- The masterpiece of Supermarionation from producer Gerry Anderson (*Space: 1999*, *Thunderbirds*, *Supercar*).
- All 32 episodes available on DVD for the first time.
- All episodes are uncut, digitally remastered, and presented in their original broadcast order.
- Market research shows that CAPTAIN SCARLET has better recognition than *Thunderbirds*, which has already generated sales over \$1.25 million.
- A&E Home Video is THE premier source for high-quality classic television, with millions of units of shows like *Monty Python's Flying Circus*, *The Avengers*, and *Thunderbirds* sold to date.
