

ICE ROAD TRUCKERS

THE COMPLETE SEASON ONE

THE HISTORY CHANNEL® takes viewers on a thrilling, adrenaline-pumping ride in this new, record-breaking series.

It's the most perilous road in the world, a strip of ice three hundred and fifty miles long built on frozen lakes connecting mining outposts in northern Canada with civilization. Ten thousand loads, some weighing as much as nineteen tons, will travel over the ice in an urgent race to provide critical supplies to the camps before the road melts.

ICE ROAD TRUCKERS follows the competition and camaraderie of six truckers over a two-month season on the ice road, as they brave white-outs, thin ice, and the deadly cold to perform one of the most dangerous jobs in the world. From the construction of this massive frozen highway to the risky final days when the road grows unreliable, ICE ROAD TRUCKERS takes viewers on a thrilling ride.
