When UPSTAIRS DOWNSTAIRS first aired, network executives fretted that the series was "not commercial" and viewers would "switch off in their thousands." More than thirty years later, it is universally recognized as one of the most successful and important shows in television history, seen by over 1 billion people worldwide and honored with 9 Emmys®, a Golden Globe® and a Peabody®, among many other awards.

Now, fans can return to 165 Eaton Place with this comprehensive set featuring all 68 episodes, digitally remastered for DVD. The saga of the aristocratic Bellamy family and their loyal and lively servants shines like never before in this extraordinary collection, which also includes the rarely-seen retrospective *Upstairs Downstairs Remembered: The 25th Anniversary Special*.
