

BEYOND THE DAVINCI CODE

A 2000 year journey through time that answers the questions raised by *The Da Vinci Code*

Take a 2000 year journey through time with THE HISTORY CHANNEL® to examine the surprising truths and controversial ideas set forth in Dan Brown's worldwide best-selling *The Da Vinci Code*.

Did Jesus marry Mary Magdalene? Have their descendants been protected by a secret society from the Dark Ages all the way up to the present? Did the Church deliberately mislead its followers for two millennia? Drawing on the pages of Brown's best-seller, the Bible, and commentary from esteemed scholars from around the world, BEYOND THE DA VINCI CODE investigates these questions—and more—in a close and balanced look at the foundations of Christianity.
