

The Ritchie Boys

This award-winning account of a group of unassuming heroes poignantly revisits their World War II experiences

THE RITCHIE BOYS tells the inspiring story of a group of German nationals who used their language and cultural knowledge to help defeat the Nazis during World War II. Still sharp as octogenarians, The Ritchie Boys—a medley of hilariously unlikely soldiers—vividly recall their treacherous and heroic slog through World War II. Now highly successful artists, businessmen, and professors, The Ritchie Boys laugh at their clumsy fit within the U.S. military, cry at the horrors of war, and marvel at the unorthodox—but effective—forms of interrogation and subterfuge that helped them to help defeat the Nazis.

With immense attention to detail, the award-winning THE RITCHIE BOYS mixes newsreels with razor-sharp interviews to spin a touchingly personal saga of men whose chutzpah, ingenuity, and playful camaraderie had a lasting effect on world history.

- An upcoming dramatization of The Ritchie Boys story is due in theaters in 2008.
- A 2006 theatrical release in 12 markets.
- THE RITCHIE BOYS was shortlisted for the Academy Award® for Best Documentary in 2005.
- Unanimous critical praise including raves from *The New York Times*, *New York Daily News*, and the *Los Angeles Times*, among others.

“Outstanding... *The Ritchie Boys* is one of the best.”

— *Los Angeles Times*
