

BARACK OBAMA

BIO® reveals the definitive story of BARACK OBAMA, from his childhood in Honolulu through the 2007-2008 U.S. primaries

Follow Obama through his teenage struggles for self-identity, his student days at Columbia University and Harvard Law School, and finally, through his political career in Chicago, where he rose to fame through a focus on ethics and political reform. Go behind the scenes of Obama's extraordinarily successful presidential campaign—in which he raised a record-breaking \$58 million in six months—and join his exciting journey towards the 2008 Democratic Convention.

Pulsing with the energy of the man himself, BARACK OBAMA chronicles the uniquely American story of one man rising up to fight for what he believes in—and quite possibly, the dawning of a new chapter in American history.
