DR. JAMES ORBINSKI'S  
HUMANITARIAN DILEMMA

## A powerful memoir of extraordinary courage from an unexpected hero

TRIAGE: DR. JAMES ORBINSKI'S HUMANITARIAN DILEMMA follows the powerful odyssey of James Orbinski, recipient of the Nobel Peace Prize on behalf of Doctors Without Borders, as he returns to Africa to ponder the meaning of his life's work and the value of helping others.

Drawing on a lifetime of experience deep in the trenches of genocide and famine, this extraordinary man relives the triumphs and tragedies of relief work in Somalia, Rwanda, and the Democratic Republic of Congo. This remarkable film from the team behind the Emmy® Award-winning *Shake Hands with the Devil* provides no easy answers, but celebrates the best in the human spirit while staring unblinkingly at the worst. Bristling with energy, TRIAGE brings the causes and cures of conflict into sharp focus through Orbinski's unflinching, fearless perspective.

- Directed by Academy Award®-nominated director Patrick Reed (*Shake Hands with the Devil*).
- Timed perfectly for the paperback release of Dr. James Orbinski's widely reviewed book *An Imperfect Offering* (Bloomsbury).
- At a time of great political and moral uncertainty, humanitarian intervention is a hot button topic.
