Hailed as "highly enjoyable" (*Variety*) and "an instant cult classic" (*Film Threat*), SPEEDO is a riveting American love story set amidst the dangerous, bare-knuckled world of demolition derby.

A Long Island garage mechanic by day, racing daredevil Ed "Speedo" Jager spends his free time compulsively rebuilding his pieced-together wrecks before each competition. But as a hobby turns into an obsession, Speedo's marriage of twenty years begins to deteriorate like a junkyard cadillac, which only fuels his raceway rages. Will a developing crush on a female track official finally bring peace to this hell-on-wheels?

From the fiery thrills of the metal monsters in action to the intimate dramas between a dysfunctional family and a budding romance, SPEEDO is what you'd call a high-octane crowd-pleaser!
