

REILLY

ACE OF SPIES

The amazing true story of the world's first international super spy.

At the turn of the 20th century, one remarkable man single-handedly tried to alter the course of history. This Russian-born British agent radically transformed modern espionage techniques and set the mold for the super spy.

REILLY: ACE OF SPIES is the thrilling, suspenseful dramatization of the real-life adventures of Sidney Reilly, the inspiration behind Ian Fleming's James Bond. Shot in glorious period detail, one heart-pulsing mission after another captures the arc of Reilly's brilliant career. From stealing top-secret Russian oil information to a near overthrow of the Bolshevik Revolution to his final capture by Stalin's forces in 1918, Reilly's exploits are at times so daring, it's hard to believe they are history and not fiction.

Starring Sam Neill (*Jurassic Park*, *The Hunt for Red October*), REILLY: ACE OF SPIES includes all 12 original episodes on DVD for the first time.

- The complete Thames mini-series on DVD for the first time!
