THE LOST WORLD OF INDIA'S MOST POWERFUL DYNASTY

## THE MUGHALS

### The Lost World of India's Most Powerful Dynasty

WARRIOR EMPIRE: THE MUGHALS is a sweeping, in-depth portrait of India's most colorful, violent, and majestic era. Though they conquered their kingdom with crushing brutality, the Mughals were also brilliant technological innovators and masters of art and architecture. This program offers lush, detailed images of Mughal accomplishments such as the glorious Taj Mahal, palaces, forts, water systems, elaborate gardens, and richly crafted artwork. Scientific recreations of advanced Mughal metallurgy and weaponry show the production of chain mail armor for a battalion of elephants, lethal composite bows, rocketry, and swordsmith techniques that are still alive today.
