

Inside Islam

ON DVD AND VHS

A sweeping story of one of the world's great faiths.

It is the second largest of the world's great religions, and the fastest growing. Its name comes from the word for peace, yet to many Westerners it is synonymous with violence and terror.

Probing, powerful, and authoritative, INSIDE ISLAM traces the religion's roots back to the Hebrew Bible and reveals how the practice of the Five Pillars—the central tenets of the faith—have helped spread Islam throughout the world. Visits to sacred sites illuminate its rich heritage, while scholars like Khaled Abou el Fadl (author of *Speaking in God's Name*) explore the challenges facing Islam in the modern world.

From Mohammed's revelations to the dark acts of extremists, INSIDE ISLAM is a timely and objective look at a faith mired in controversy.
