

THE WORLD'S GREATEST SECRET AGENT  
IS ONLY NINE YEARS OLD!

# JOE 90

## THE COMPLETE SERIES ON DVD

In Gerry Anderson's thrilling Supermarionated follow-up to *Thunderbirds* and *Captain Scarlet*, the year is 2112 and the World Intelligence Network (W.I.N.) welcomes its newest—and most unlikely—operative. Joe McClaine is just nine years old, but thanks to a remarkable machine invented by his father, he can be given the skills, knowledge and experience of anyone on earth.

JOE 90 tracks the missions of the “world’s most audacious secret agent” as he foils international terrorists, helps besieged royals, and recovers missing nukes. In classic Anderson style, the Supermarionated adventures feature incredible machines, fast-paced action and ahead-of-their-time special effects.

This DVD collection includes all 30 episodes, digitally remastered and presented in their original production order.
