

Danger Man

ON DVD

**BEFORE *The Prisoner*, BEFORE *Secret Agent*,
PATRICK MCGOOHAN was DANGER MAN
The Complete Classic First Season**

In a world where a careless word can undo years of work and the slightest misstep can prove fatal, John Drake is without peer. A lone operative working for a secret NATO agency, he travels the world bringing international villains to justice and defusing explosive situations with unshakable aplomb.

Patrick McGooohan's (*The Prisoner*, *Braveheart*) first major starring role, DANGER MAN set the standard to which all spy shows aspire. At the same time, it defied convention with a hero who fights only as a last resort and never lets temptation distract him from the mission at hand.

Now, all 39 episodes of the groundbreaking series are available on DVD for the first time, presented in their original broadcast order.

- Patrick McGooohan's (*The Prisoner*, *Braveheart*) first major TV series, the precursor to *Secret Agent*.

- All 39 episodes available on DVD for the first time, presented in their original broadcast order
