

**SYNOPSIS** This classic cult horror film, from acclaimed writer/director Jeff Lieberman, is a masterpiece of psychological suspense and terror. At a party, someone goes insane and murders three women. Falsely accused of the brutal killings, Jerry is on the run. More bizarre killings continue with alarming frequency all over town. Trying to clear his name, Jerry discovers the shocking truth...people are losing their hair and turning into violent psychopaths and the connection may be a drug all the murderers took a decade before! Soon, if Jerry can't stop it, the horror will become uncontrollable...the horror caused by Blue Sunshine!
