

Hugh Laurie & Stephen Fry

THE COMPLETE P.G. WODEHOUSE'S
JEEVES & WOOSTER

Just in time for Dads and Grads, the classic British comedy starring *House's* Hugh Laurie—is in a slim new package and great low price

Join Jeeves & Wooster for an enchanting romp through the drawing rooms and diversions of Britain's tweedy elite.

Bertie Wooster is the classic young British man of means, blessed with a touch too generous a heart and a slight deficit in the noggin department. Jeeves is his hilariously arch and resourceful valet, a "Gentleman's Gentleman" without equal who sees Bertie through the never-ending swirl of hopeless old friends, indomitable aunts, unbidden guests, and romantic entanglements that dominate his life.

THE COMPLETE JEEVES & WOOSTER includes all 23 episodes of the acclaimed series based on P. G. Wodehouse's beloved stories. Stephen Fry (*Gosford Park*) and Hugh Laurie (*House*) are spot-on as the unflappable butler and his overwrought employer, and their inimitable misadventures are masterfully adapted for the screen by Clive Exton (*Poirot*).

- Starring superstar and Golden Globe®-winning actor Hugh Laurie from the smash hit TV series *House*.
- All 23 episodes of the classic series adapted from beloved author P.G. Wodehouse's masterful tales have been digitally restored and remastered.
- A perennial bestseller, repackaged, and repriced to less than \$60 SRP.
