**“A wonderful opportunity for a new generation to glimpse a world that for my generation is only a memory.”**

—Novelist Aharon Appelfeld

## A History of Jewish Life in Poland Before the Holocaust

A stunning commemoration of Jews in Poland between the two World Wars, *IMAGE BEFORE MY EYES* pays homage to the dynamic and vibrant society of 3.5 million people that was destroyed during the Holocaust.

Unearthing the stories of Jewish peasants, aristocrats, anarchists, Zionists, and artists who fashioned a thriving civilization with a 900-year history, this triumphant film draws on the sacred and rare artifacts of a crushed world—home movies, forgotten song recordings, and the evocative memories of survivors—to resuscitate Jewish Poland.

From the traditional shtetls of the countryside to the freewheeling cultural revolution in the cities, award-winning director Josh Waletzky (*Partisans of Vilna*) masterfully memorializes a proud culture that still inspires hope and reverence.
