

SYNOPSIS Surgeon Michael Foster thought he had the perfect life but, after a romantic evening his wife suddenly vanishes without a trace from their locked home. Elsewhere, a woman gives birth to a baby, but has dreams she actually gave birth to twins, and one of them was stolen in the delivery room. Could it be true? Something very scary is happening, but who can you trust when everyone around you might be a part of the conspiracy? Does a cabal of witches exist in the 21st century, and are they committing murder to achieve their dark ends?
