## One Nation's Rise to Independence

Revisit the birth of a nation in this truly definitive look at America's fight for independence and its world-changing rise to glory. THE HISTORY CHANNEL® PRESENTS: THE AMERICAN REVOLUTION features five powerful documentaries—more than eight hours of essential programming—THE HISTORY CHANNEL® and A&E on DVD for the first time.

From the Declaration of Independence to the Treaty of Paris, these are the stories and events surrounding the remarkable achievements of heroic individuals seized by the epic forces of history. Hear the words of the founding fathers and other key figures, as read by leading actors such as Kelsey Grammer (*Frasier*) and Michael Learned (*The Waltons*). Thrilling re-enactments of great battles, compelling period images, rare archival material, and commentary by leading historians bring the past vividly alive.
