## THE LOST VOYAGE

### The untold story of the great explorer's most treacherous adventure

In collaboration with popular historian and explorer Martin Dugard, THE HISTORY CHANNEL® brings the fascinating true story of Christopher Columbus' last journey to life. Ten short years after 1492, the great explorer languished in a Caribbean prison, plotting what he called his "most treacherous" voyage: one that ended in the loss of all four of his ships and left Columbus and his crew shipwrecked with little hope of survival.

Through on-location footage from the remote beaches and jungles and dramatic reenactments, COLUMBUS: THE LOST VOYAGE leaps to life and reveals the truth about the last, untold journey of this complex and courageous hero.

- Popular historian and explorer Martin Dugard travels in the wake of Columbus' journey to visit the key sites of his voyage.
- Filled with on-location footage and vivid dramatic reconstruction, this documentary views like a Hollywood feature film.
- THE HISTORY CHANNEL® presents an intimate portrayal of an iconic figure and the never-before-revealed truth behind his little-known final voyage.
