A profoundly touching story of love, courage, and dignity, the Academy Award®-winning **BEST BOY** follows Philly Wohl, a cheerful and loveable 52-year-old man who's been mentally handicapped since birth and still lives with his parents. When his cousin, filmmaker Ira Wohl, urges the family to help Philly become more independent, they embark on a mission to prepare Philly for entrance into the wider world. As they set about to change his life, their "Best Boy" ultimately proves that it is possible to overcome any obstacle, no matter how insurmountable it might seem.

- **BEST BOY** won the Academy Award® for Best Documentary Feature, the New York Film Critics Circle Award for Best Documentary, and the Toronto International Film Festival's People's Choice Award.
- This Special 25th anniversary edition 2 disc DVD set includes *Best Man*, the award-winning 20-year update to **BEST BOY**.
- From award-winning filmmaker Ira Wohl.

BEST MAN

In this award-winning film, Ira Wohl revisits Philly 20 years after we last saw him. Now 70 years old and leading a life of relative self-dependence in a group home, Philly Wohl reaffirms that he is no longer a "Best Boy"—he has truly become a "Best Man."
