LAST MAN STANDING

Politics, Texas Style

P.O.V. presents LAST MAN STANDING, a humorously enlightening nail-biter that Variety calls "an intriguing ground-level look at Texas politics as a full-contact sport... a provocative pic!" If the down-home cowboy politics of George W. Bush are a blueprint for success in Washington these days, what are they like back in the Lone Star state? LAST MAN STANDING takes a camera to Texas to find out in this lively, behind-the-scenes portrait of two unpredictable, post-millennial elections.

- A standout on PBS's highly acclaimed P.O.V. series, America's most-watched independent documentary showcase.
- From Sundance Jury Prize winner and three-time Emmy® Award-winning filmmaker Paul Stekler, a 20-year veteran making films about American politics.
- Featuring appearances by former Texan Governor Ann Richards, Chief Bush Strategist Karl Rove and best-selling author/widely syndicated Political Columnist Molly Ivins.
