Art Not Final

## Featuring Original Music by Metallica

**"The only thing more riveting than the original ...is the sequel."**

— Time Out

### One of the most astonishing true-crime documentaries of all time—and the terrifying sequel

Emmy® Award-winning and Sundance Grand Jury Prize nominee *Paradise Lost: The Child Murders At Robin Hood Hills* (1996) and its multi award-winning sequel, *Paradise Lost 2: Revelations* (2000), investigate the gruesome murder of three eight-year-old boys in West Memphis, Arkansas, in 1993.

Together for the first time in this special two-disc collection, the films have amassed a huge cult following, focusing on the lingering uncertainty that surrounds the conviction of three local teens for the murders. While the original *Paradise Lost* traces the proceedings leading up to the conviction through police and courtroom footage and emotionally raw interviews with prosecutors, families, and the convicted teens themselves, *Paradise Lost 2: Revelations* revisits the notorious case four years later, concentrating on the possible wrongful convictions and revealing disturbing new evidence.

- From award-winning filmmakers Joe Berlinger and Bruce Sinofsky (*Metallica: Some Kind of Monster*, *Brother's Keeper*).
- PARADISE LOST and PARADISE LOST 2 have received widespread critical acclaim including raves from *The New York Times*, *Los Angeles Times*, and *Chicago Tribune*.
- The release is perfectly timed to coincide with a hearing on October 23, 2008 where new evidence on all three cases will be presented.
