

VINTAGE WORLD SERIES® FILMS

Mets™

Amazin'™ and Miraculous

For the first time on DVD, the World Series® champion New York Mets® of 1969 and 1986 come together in one mesmerizing World Series Film Collection.

The summer of 1969 saw man set foot on the moon for the first time. The fall of 1969 saw perhaps an even more exciting event—the New York Mets won the World Series! In 1967 the Mets lost 101 games, but by 1969 they turned Gotham upside down, registering 100 wins and a World Series championship.

In 1986, the Mets staged arguably the greatest comeback in Major League Baseball® history. Down two runs and with two outs, the Mets began a logic-defying march to victory best remembered for Mookie Wilson's grounder that eluded Bill Buckner. Game 7 saw the Mets wring out one final comeback to secure their second World Series crown.

- The 1969 and 1986 World Series are two of the most improbable triumphs in Major League Baseball history.
- The New York Mets will honor their 1986 World Series win with a series of events during the month of August, 2006.
- These vintage World Series Films showcase the most popular players in New York Mets history including Tom Seaver, Gary Carter, Mookie Wilson, Tommy Agee, Lenny Dykstra, Darryl Strawberry, Keith Hernandez, and Tug McGraw.
- Perfect impulse complement to *The New York Mets 1986 World Series Collector's Edition*.
