## Medicine Woman

HER COURAGE FORGED A NEW VISION FOR THE OLD WEST

**THE COMPLETE SEASON ONE  
ON DVD AND VHS**

*"Family television doesn't get much better than this on any level."*

—Hollywood Reporter

From the moment that Dr. Michaela "Mike" Quinn (Jane Seymour) first stepped from the stagecoach into the mud of Colorado Springs, TV audiences had a new destination on Saturday nights. For six seasons, DR. QUINN, MEDICINE WOMAN won popular and critical acclaim—including five Emmy® awards—with its tales of courage, conviction and romance on the American frontier.

Now, A&E Home Video is proud to present all 17 episodes from the first season, available together in collectible DVD and VHS sets. Fans will delight in revisiting favorite moments, like Dr. Mike's first kiss from Sully (Joe Lando) and General Custer's visit to town, while newcomers will be captivated by the gripping, family-friendly stories and painstaking authenticity.

- Jane Seymour and Joe Lando star in the family-friendly western that was one of the most popular shows of the '90s.
- Winner of five Emmy® awards and multiple nominations for the People's Choice and Golden Globe.
- The show's cancellation sparked one of the largest viewer protests in TV history.
- The complete first season available together—and on DVD—for the first time ever.
- DR. QUINN, MEDICINE WOMAN has an established, passionate, and growing fan base, with more fan sites than *My So-Called Life* and *Felicity*.
