**“The Loved Dog™ method is nothing short of a revolution. Tamar reminds us that understanding and respect are the key words in dog training in the twenty-first century”**

Humane Society of the United States

### Celebrate your dog with America's premier dog trainer

Tamar Geller, founder of The Loved Dog™ Way of Training, is a renowned life coach for dogs, and the people who love them. Known for her insight, enthusiasm, and red carpet glamour, Tamar rejects the painful prong collars and choke chains that have been common tools of dog trainers for decades. Her innovative and revolutionary approach to dog training is light-years ahead of the typical dog trainer pack.

THE LOVED DOG takes pet owners step-by-step through the insight and instruction needed to teach dogs good manners and establish a common language that will build a respectful and loving relationship. Derived from Tamar's observation of wolves—the wild ancient ancestor of dogs—in their natural habitat, she uses playful game-based behavior lessons which are quick, easy, and fun for the whole family to learn.

- Approved by the Humane Society of the United States and celebrity clients such as **Oprah Winfrey**, **Ben Affleck**, **Courteney Cox-Arquette**, **Owen Wilson**, **The Osbournes**, **Natalie Portman**, **Kelly Ripa**, and **Ali Larter**, The Loved Dog™ way of training has successfully trained thousands of dogs with amazing success.
- Tamar Geller has appeared regularly as a Pet Expert on the *Today Show* and *Animal Planet*, as well as other prime-time talk shows including *Larry King Live*, *20/20*, and *Regis and Kelly*. Tamar also has her own line of pet treats, The Loved Dog™ Treats.
- Tamar's *The New York Times* best-selling book *The Loved Dog* will be released in paperback this fall by Simon and Schuster and cross-promotion between the DVD and book will spearhead the marketing campaign.
