A tantalizing documentary as hilarious as it is tragic, the critically acclaimed theatrical hit, *LOST IN LA MANCHA*, tracks maverick filmmaker Terry Gilliam's madcap mission to film *The Man Who Killed Don Quixote*. With an all-star cast featuring Johnny Depp, Gilliam struggles to complete his masterpiece, all the while beset by obstacles of such epic proportions that not even Hollywood could have concocted them. Capturing this mayhem on camera, filmmakers Keith Fulton and Louis Pepe are granted unlimited, behind-the-scenes access to Gilliam's frantic, but inspired creation.

- DVD to debut on the heels of a successful national theatrical release—45 cities in early 2003, earning over \$500,000 at the box office and counting.
- Starring Terry Gilliam (*Monty Python*, *Brazil*, *12 Monkeys*) and Johnny Depp (*Chocolat*, *Donnie Brasco*), as well as celebrated French actors Vanessa Paradis and Jean Rochefort. Narrated by Jeff Bridges (*The Big Lebowski*, *The Contender*).
- Special 2-disc set is jam packed with over 3 hours of extras, featuring exclusive cast interviews, deleted scenes, behind-the-scenes featurettes, and more!
