HISTORY CLASSICS: THE TEN COMMANDMENTS

An in depth look at the ten rules which helped shape western civilization.

- A comprehensive look at history's first – and most famous – 'Top Ten List.'
- Released just in time for Easter and Passover.
- Includes the acclaimed two-part HISTORY documentary, *The Ten Commandments* as well as selected episodes from the classic series, *Mysteries of the Bible*.
- Another entry in the celebrated HISTORY Classics franchise. Previous religious SKUs in this line (The First Days of Christianity) have been among its biggest sellers.
- Great value – 4 jam-packed discs for only \$19.95.

SYNOPSIS The most famous document in all history, the Ten Commandments are the words of God carved into stone. But what do they mean and how do they still apply to society today. Join a distinguished group of scholars as they explore these questions and examine what issues have been raised over the years, as well as analyzing the punishments that have been handed out if the commandments were broken. We also look at why this set of rules became central to the whole of Western civilization, why Moses ordered the killing of three thousand fellow Hebrews at Sinai and whether the original document, said to be preserved in the sacred Ark of Covenant, could actually still exist. Discover all this plus much more as we go in search of THE TEN COMMANDMENTS
