PRISONER CELL BLOCK H

THE CULT PHENOMENON FROM DOWN UNDER

Faced with ridiculously elaborate plots, hilariously wobbly sets, and more unruly inmates than you can shake a nightstick at, the women of Cell Block H soon find out that punishment is far from pretty. Throw in a little drug abuse and girl-on-girl fights to the death, and you've got one of television's most unique and enduring creations—PRISONER: CELL BLOCK H.

Experience the best of PRISONER: CELL BLOCK H, now available in the U.S. for the first time. Outlandish yet utterly gripping, this legendary cult hit from Down Under includes three volumes of memorable highlights—complete and uncensored.
