# POIROT

Evil Under  
The Sun

ON DVD AND VHS

**D**avid Suchet returns to his trademark role as Agatha Christie's beloved Belgian sleuth in this brand-new, feature-length mystery from A&E Home Video and producer Brian Eastman (*Traffik, Jeeves & Wooster*).

After collapsing during dinner, Poirot is banished to the resort island of Sandy Cove for a two-week recuperative stay. Subjected to a taxing (and decidedly undignified) regimen of diet and exercise, he is distracted from his plight by growing suspicions that death awaits one of his fellow guests. When the body of Arlena Stewart is discovered on the beach it is up to Poirot to determine who killed her.
