**TERRAHAWKS, STAY ON THIS CHANNEL.
THIS IS AN EMERGENCY!**

It's the year 2020, and android aliens, led by the witch-like Zelda, are trying to take over the Earth. But first they must defeat the Terrahawks, an elite cadre of fighters led by Dr. "Tiger" Ninestein.

In 1983, producer Gerry Anderson (*Thunderbirds*, *Space: 1999*) refreshed his popular formula for sci-fi animation with a new generation of stringless "Supermacromation" puppets. The result was classic Anderson action filled with ambitious special effects, extraordinary machines, bizarre monsters, and the never-ending battle between good and evil.

Now, Zelda and her minions relaunch their campaign against the Earth in all 39 episodes of TERRAHAWKS, available together and on DVD for the first time.

- Producer Gerry Anderson's (*Space: 1999*, *Thunderbirds*) final full-length Supermarionated series.
- All 39 episodes available on DVD for the first time, presented uncut and in their original broadcast order.
- Filmed in "Supermacromation," the next generation of Anderson's famous Supermarionation technique, featuring stringless puppets.
- Extensive DVD extras include two commentary tracks.
- A&E's "Cult Television" franchise—home of *The Avengers*, *The Prisoner*, *Space: 1999*, *Thunderbirds*, and others—is THE established source for high-quality classic television, with millions of units sold to date!
