## THE COMPLETE SEASON 1 ON DVD

Fly the not-always-so-friendly-skies with the hit A&E reality series AIRLINE, where every flight is a guaranteed trip to the land of zany human behavior. See why travel has never been so much fun in this People's Choice Award-nominated reality series.

Every day, the hard-working and harried employees of Southwest Airlines interact with thousands of weary, giddy, fussy, confused, grumpy, and sometimes genuinely nice travelers. The results are pure entertainment, full of all-too-real drama and unexpected comedy. From smelly passengers, weather delays, and gospel singers to tired executives, howling children, and celebrity sightings, each fast-paced episode of AIRLINE captures the unforgettable and oh-so-familiar realities of flying. At the same time, the behind-the-scenes views of America's fourth largest carrier bring a truly new appreciation for getting to your destination at all.

Culled from nearly 5,000 hours of footage at two of America's busiest airports—Los Angeles International and Chicago Midway—AIRLINE features all 18 episodes of its debut season on DVD for the first time.

- All 18 episodes from AIRLINE's hit debut season on DVD for the first time.
- 1.7 million viewers watch AIRLINE.
- Features surprise celebrity guests like Randy Travis, Sisqo, and William Hung (*American Idol*).
- Season 3 will begin in Q2, 2005.
