

PAUL MCCARTNEY

THE SPACE WITHIN US

Art Not Final

One of the all-time
best concert films
ever produced
is finally available
on Blu-ray!

Paul McCartney on Blu-ray is out of this world!

In 2005, rock legend Paul McCartney crossed America with his record-breaking, sold out US tour. Now, harnessing the power of more than 25 hi-definition cameras and the thunder of 5.1 digital surround sound, PAUL MCCARTNEY: THE SPACE WITHIN US captures this epic experience on Blu-ray DVD.

Better than a front-row seat, this feature-length concert film takes viewers onto the stage and beyond, capturing Paul's out of this world performance—which was beamed to the astronauts aboard the International Space Station who wake up to some “English Tea” with Paul and the band through a live feed from the tour.

- Shot with more than 25 hi-def cameras, this DVD is a stunning, must-have collector's item for any Paul McCartney or Beatles fan.
- Timed to release during Paul McCartney's highly anticipated concert tour, THE SPACE WITHIN US boasts over two hours of programming including the full-length 1 hr., 45 minute concert.
- Filmed in hi-def with a 5.1 surround sound audio mix and loaded with 85 minutes of pure music, THE SPACE WITHIN US in one of the greatest concert films ever produced.
- Special features include a new interactive jukebox where viewers can create their own concert playlists.
