From the Writer and Director of **BOWLING FOR COLUMBINE**
and Author of **STUPID WHITE MEN**

From acclaimed filmmaker and author Michael Moore comes the Emmy® Nominated series THE AWFUL TRUTH. The most daring show to hit the American public since Moore's own *TV Nation*.

In the spirit of his award-winning film *Bowling for Columbine*, Moore skewers politicians and the public alike, offering up scathingly funny observations and humorous rants that boldly and ironically provide valuable commentary on today's cultural landscape.

- At \$17,000,000 Box Office and counting (as of January 2003), Moore's own *Bowling for Columbine* is the highest grossing documentary of all time.
- Moore's fan base is enormous, with over 1,000,000 unique subscribers to his website alone.
- Moore's most recent book, *Stupid White Men*, is currently in its 10th month on *The New York Times* best seller list.
