

THE HISTORY CHANNEL®

THE UNIVERSE

Explore the mysteries of the Universe in this epic voyage through the cosmos

From the mysteries of the solar system to both age-old and modern-day questions surrounding unexplored galaxies, history and science collide in this ambitious investigation of the Universe. The new groundbreaking series from THE HISTORY CHANNEL® employs cutting-edge computer-generated imagery to bring distant planets and faraway stars up close. Stunning re-creations allow viewers to gaze at black holes and comets, and witness the births and deaths of galaxies and solar systems.

From the farthest reaches of distant galaxies back to the familiar face of our moon, THE UNIVERSE brings the mysteries of the heavens down to earth.

- Premiered with over 1.4 million viewers, which broke records for THE HISTORY CHANNEL®.
- Episodes include in-depth programs about extraterrestrials, black holes, comets, and more.
- Includes the feature-length documentary *Beyond the Big Bang*.
