## FOUR BARBARIAN TRIBES. A MILLENNIUM OF TERROR.

For nearly a millennium, the barbarian hordes rose up and swept across Asia, Europe, and Africa, pillaging towns and sacking empires. But who were these barbarians, seemingly devoted only to violence and destruction, their language the battle-axe and mighty sword?

In four acclaimed programs from THE HISTORY CHANNEL®, BARBARIANS explores the origins of the Huns, Goths, Vikings, and Mongols. Shot on location, Emmy® Award-winning documentarian Robert Gardner (*Islam: Empire of Faith* and *Egypt: Quest for Immortality*) uses in-depth interviews, thrilling reenactments, and narration by Clancy Brown (*The Hurricane*, *The Shawshank Redemption*) to bring to life the powerful leaders, military strength, and overwhelming drive that kept empires on three continents in terror for centuries.

- Explores the weaponry, strategy, and culture of four of history's most feared barbarian tribes.
- Examines the origins and the legends behind historical icons like Attila the Hun and Genghis Khan.
- Jam-packed with animated maps, thrilling reenactments of the barbarians' raids, conquests, battles, and in-depth interviews with respected historians from American and British universities.
- Beautifully shot on 35mm film on location in Europe and Asia.
- Produced by Emmy®-winner producer/director Robert Gardner (*Islam: Empire of Faith* and *Egypt: Quest for Immortality*), a veteran documentarian whose productions air internationally on commercial and public broadcasting.
- Narrated by Clancy Brown (*The Hurricane*, *The Shawshank Redemption*).
- Continues the high standard for historical programming set by THE HISTORY CHANNEL®.
