

CONQUEST of America

"...full of careful casting, sharp costuming and often exquisite art direction—all very effective storytelling."

—Hollywood Reporter

Embark on a journey into the great unknown.

CONQUEST OF AMERICA brings a stunning four-part series from THE HISTORY CHANNEL® to DVD for the first time. A sweeping saga of bravery, cruelty, and pure folly, these are the stories of adventurers who stopped at nothing to conquer an unknown land and its peoples. Led by legendary cities of gold and mythical passages to China, foiled by international intrigue and mutiny on the high seas, men like Francisco Vasquez de Coronado, Henry Hudson, Jean Ribault, and Vitus Bering left an indelible mark on a vast new continent. CONQUEST OF AMERICA presents an amazing, region-by-region account of extraordinary times and extraordinary men, with expert commentary and vivid on-site re-enactments.

- THE HISTORY CHANNEL® network premiere supported by national multimedia campaign—including trailers on hit movies like *Hostage* in select Lowes theaters.
- Comprehensive four-part series detailing the exploration of North America via first-hand accounts and insight from today's leading historians.
- Narrated by Emmy® and Golden Globe winner Jeffrey Wright (*Angels in America*).
- A must-have for history and travel fanatics!
- Bonuses include two behind-the-scenes featurettes, "Conquering the East" and "Conquering the West."
