

ROOKIES

THE COMPLETE SEASON ONE

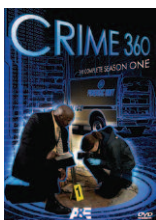

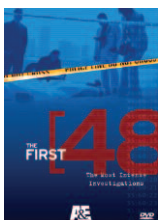

The first day on any job is tough, but being a cop is a whole new ballgame

Shot on location in Jefferson Parish, Louisiana, and Tampa, Florida, ROOKIES reveals an aspect of police work you don't usually see—real officers, fresh out of the police academy, learning the ropes during a 12-week street patrol. Each week viewers will go along for the ride as field training officers coach the rookies on what it takes to survive the situations they'll encounter on tough city streets. These veteran cops will impart experience and skills that can make the difference between life and death.

Some of the rookies will have what it takes—and others will be asking themselves if they can take the heat in one of the most challenging jobs in America.

- ROOKIES puts viewers in the squad car to ride along on SWAT team hits, violent criminal arrests, and drug busts.
- The newest addition to the A&E crime and justice lineup, ROOKIES taps into the A&E fan base already created by *Jacked*, *Crime 360*, and *The First 48* as seen by well over 20 million viewers this year.
- This 2-disc set is jam-packed with 16 episodes and never-before-seen bonus footage.
