Relive the fall of one of history's greatest civilizations

Filled with dramatic re-enactments and action-packed battle scenes, **ROME: RISE AND FALL OF AN EMPIRE** chronicles the dramatic story of one of history's greatest empires, from its first major battle to its remarkable military feats and through its eventual fall. Told from the point of view of the Roman people under violent attack, HISTORY™ takes viewers inside the fiery battles of a civilization crumbling in the face of brutal invasions.

Vivid re-creations offer a firsthand look at the chaotic state of an empire in flames, while compelling characters on both sides fight for victory. Teeming streets, horseback battles, warring armies, and gladiatorial contests coexist with magnificent tales of Roman debauchery and excess.

- From the producers of *Barbarians*, the devastating destruction of the Roman Empire is vividly brought to life.
- The series is action-driven, with large-scale reenacted stories, full-blown battles, kill-stunts, fire, destruction, and deeply compelling characters.
- DVDs about the Roman Empire are perennial best-sellers as demonstrated by *Julius Caesar's Rome* and the HBO series *Rome*.
