BENNY HILL HAS LEGS!

The most recognizable British comedian on the planet, Benny Hill shines in Thames' first 11 episodes of the original **THE BENNY HILL SHOW** broadcast.

His impish antics have a mainstream appeal frequently imitated, but Benny Hill remains unsurpassable as the cherubic king of mischief. Known for hilariously turning the sketch variety show on its ear, Benny has charmed the world with his lusty mayhem... and his flock of half-dressed women.

Now, for the first time ever, the original U.K. episodes of *The Benny Hill Show* are available in their entirety on this side of the Atlantic.

THE NAUGHTY EARLY YEARS: SET ONE features all 11 episodes from 1969-1971—and is the first of many BENNY HILL: COMPLETE AND UNADULTERATED DVD releases to come!

- Benny Hill is the most recognizable British comedian on the planet.
- Never broadcast in full-length form in the U.S., this DVD set is the only way to see these episodes in their entirety.
- These original Thames episodes are considered by fans to be the "definitive era" of *The Benny Hill Show*.
- Includes all three rare, black-and-white episodes of *The Benny Hill Show*, never before available on DVD or VHS.
- *The Benny Hill Show* has earned the British Academy's Best Comedy Show Award and the Golden Rose of Montreux.

"Benny Hill's humor is a cross between a leer from W.C. Fields and the naivete of Charlie Chaplin, with a large dose of the Keystone Kops."
